CM SERIES 622A HAND CHAIN HOIST

The CM Series 622 hand chain hoist features a simple, efficient and economical design. With an ultra-low-headroom profile and lightweight steel construction, the CM 622 is easy to install, even in confined spaces. Redesigned for optimal performance, this hoist requires even less pull force for operation and has larger hook throat openings for easier attachment.

CM SERIES 653 LEVER OPERATED HOIST

The CM Series 653 Lever Operated Hoist features a short handle and minimal lever pull effort combined with high quality, rugged steel for close quarter pulling, stretching, and hoisting applications. This lever hoist is ideal for a wide array of applications in construction, industrial and plant operations.
